EDUCATIONAL QUALIFICATIONS			
Int, Mtech Computational Data Science	Vellore Institute of Technology, Bhopal	8.2/10 CGPA	2028
Class XII, CBSE	St Mary's Convent Sr Sec School, Teetardi	86%	2023
Class X, CBSE Board	St Mary's Convent Sr Sec School, Teetardi	85%	2021

ACADEMIC & CO-CURRICULAR ACHIEVEMENTS	
▪ Selected as Smart India Hackathon (SIH) (College Nominee), representing the institute at the national-level innovation competition	2025
▪ Won Inter-College Research Paper Competition, demonstrating strong research and analytical skills	2025
▪ Completed internship at Sewa Mandir, contributing to rural development and government scheme awareness	2025
▪ Built multiple real-world projects, including an ML-based healthcare system and data analytics projects	2024
▪ Active contributor in Cisco research/community team, working on collaborative technical problem-solving	2024

PROJECTS	
Academic Projects1	**Quanta – DSA Learning Platform** *(2025)* ▪ Built an interactive platform to learn Data Structures & Algorithms using games ▪ Developed games like Maze Solver, N-Queens, Sudoku, and Flip Card using recursion & backtracking ▪ Focused on improving logical thinking through visualization
Academic Projects2	**Blood Report Analysis and Prediction** *(2025)* ▪ Developed a machine learning-based system to predict blood-related diseases like leukemia, anemia, and thrombocytopenia ▪ Used KNN, Lasso, and SVM models for disease-specific prediction ▪ Implemented data preprocessing and feature selection for improved accuracy
Projects	**Blinkit Analysis (Data Analytics Project)** *(2026)* ▪ Analyzed Blinkit sales dataset using Python (Pandas, NumPy, Matplotlib) to identify customer behavior and sales trends ▪ Performed data cleaning, preprocessing, and exploratory data analysis (EDA) to uncover key business insights ▪ Generated actionable insights to optimize inventory, product categories, and sales strategy
Projects	**Netflix Analysis (Data Analytics Project)** *(2026)* ▪Analyzed the Netflix dataset using Python (Pandas, NumPy, Matplotlib) to explore content trends and user preferences ▪Performed data cleaning, preprocessing, and exploratory data analysis (EDA) to study the distribution of movies, TV shows, genres, and release trends ▪Extracted key insights such as content growth over the years, popular genres, and top-producing countries to support data-driven decisions

POSITIONS OF RESPONSIBILITY		
VIT Bhopal	**Member, NSS (National Service Scheme)**	*Apr – Dec '2024*
	▪ Participated in social service and community development initiatives ▪ Spread awareness about government schemes and rural welfare programs.	
Cisco Community	**Cisco (Research/Community Team)**	*Jul '14 – Apr '15*
	▪ Contributing to research-based initiatives and collaborative technical projects ▪ Working with team members on problem-solving, innovation, and knowledge sharing	

Additional	
Skills	▪ Programming Languages: C++ , Java , Python ▪ Data Analytics & Tools: NumPy , Pandas , Seaborn , Matplotlib , Power BI , MATLAB , SQL ▪ Web Development: HTML , CSS , JavaScript , React.js , Node.js ▪ Core Concepts: Data Structures & Algorithms (Learning Level), Machine Learning (Learning Level), Data Analysis ▪ Soft Skills: Problem Solving, Public Speaking, Team Leadership, Collaboration
Certifications	▪ Google IT Support Certificate (Google Skills)

	▪ Full Stack Web Development Certificate(Udemy) ▪ Matlab Onramp Certificate ▪ Vityarthi Certificate – Essentials of Python
Hackathon	▪ Smart India Hackathon (College Nominee – under 45 teams selected by college) ▪ Mern X AI Hackathon ▪ Summer of Code Fest 25 ▪ Health Hackathon
Interests	▪ Public Speaking & Communication ▪ Collaborative Learning ▪ Team Guidance & Leadership ▪ Yoga & Fitness
